REQUEST FOR REINSTATEMENT OF ABANDONED APPLICATION

Applicants have received a Notice Of Abandonment dated August 3, 1995. This Notice states that the application has become abandoned because of Applicants' failure to file a response to the Office action mailed January 4, 1995.

However, Applicants did file a timely response and petition for extension of time on June 30, 1995. Enclosed are copies of all of the documents filed on June 30, 1995. Also enclosed is a copy of Applicants' returned postcard showing receipt of these items by the Patent Office on July 3, 1995.

Since the Notice Of Abandonment has been mailed in error by the Patent Office, Applicants do not believe that

any fees are due. However, should fees be considered necessary, the Patent Office is authorized to charge deposit account number 23-1925. A duplicate copy of this paper is enclosed.

Respectfully submitted,
